Re: School Closure 4 March

Dear parents/caregivers

Please be advised that the Premier has announced that tomorrow, Friday 4 March, schools will be closed in our region and only open (with supervision) for children of essential workers and children experiencing vulnerability.

Parents/carers are encouraged to keep students at home tomorrow because of an anticipated extreme weather event. Students should continue to work at home from their One-Notes and on their planned assignments and exam revision. Students can also access the [learning@home](#) Department of Education site.

Regards
