27 February 2022

Dear parents

In line with the Premier's announcement this afternoon and to ensure the safety of students, staff and community members **our school will be closed on Monday 28 February.**

Families are encouraged to tune-in to local media, monitor weather conditions, heed the warnings and follow instructions from emergency services. Remember, "If it's flooded, forget it".

The closure of a school means there will be no staff on-site and there will not be a remote learning replacement. The school closures [website](#) has been updated to reflect this closure and this will be updated on a daily basis. Parents and carers should check this site each day to confirm if our school will be open.

Absences due to emergencies and natural disasters like this event are not be recorded on a student's report card.

We will continue to provide information to families via email and text messages as it becomes available. There are also many excellent resources on the Queensland Government [Get Ready Queensland](#) website that serve as a checklist for our homes, travel arrangements and our personal safety.

Thank you for your ongoing support and please stay safe.

Regards

Scott Ison  
*Principal*
