Principal's Report

Nerang Wins Athletics

On Thursday the 12th of September, the 27th running of the Gold Coast Annual Athletics Championships for children with a disability was held at the Runaway Bay Sports Centre. Over 800 competitors from 30 schools took part in this year’s carnival. The carnival is the Coast’s only athletics carnival for children with a disability and the day comprises of approximately 400 events over disciplines including track sprints, wheelchair events, a sports skills challenge and a Goodwill Games component. The majority of these students seldom get the opportunity to participate on a competitive level. For the first time in over ten years we won the School’s Champion trophy. Our students are to be congratulated, not only for their sporting prowess, but for the way in which they conducted themselves throughout the day.

NAPLAN report highlights positive results

The 2013 NAPLAN summary report is now available from the Australian Curriculum Assessment and Reporting Authority website at http://www.nap.edu.au/results-and-reports/national-reports.html. Since testing began in 2008, Queensland is the most improved state with significant gains made in 9 out of 20 areas over this time.

In comparing Nerang State High School results for our Year 9 students with other schools in the state, the percentage of our students above the National Minimum Standard is above that of the achievement of all students in the state in all of the testing domains.

For our students at the other end of the scale, we measure the percentage of students who are in the top 2 bands (Bands 9 and 10). I can report that we are performing at or above the percentage achieved by all schools in the state.

I am very pleased with the results our students have achieved and look forward to continuing to see them being successful in their educational endeavours.

Over the next few weeks our staff will go through the NAPLAN results in much greater detail and continue to look closely at the areas where we can build on our performance.

Although NAPLAN results form a useful piece of information, they are not the ‘be all and end all’ upon which to judge a school’s success. It is important to remember the results represent a point-in-time testing over a few hours each May. The NAPLAN results are important but are just one of the many pieces of information our school uses to improve learning outcomes for our kids.

Data collection about school students with disability

All Australian governments have agreed to work together on the annual collection of data on school students with disability. The collection of this data will assist teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

In 2015, the full national collection of data on school students with disability will be required in all Australian schools.
Have fun, stay safe and Get Ready during the school holidays

Have a safe and enjoyable holiday everyone. We look forward to seeing you all for the start of Term 4 on Tuesday 8 October. With the summer storm/cyclone and bushfire season on its way Queensland’s Get Ready Week on 14–20 October will encourage people to be prepared before extreme weather or a natural disaster strikes. Over the holidays, families can work through a checklist to help them get ready and ensure everyone knows what to do. Information and resources are available from http://www.disaster.qld.gov.au/

Warm regards,

Scott Ison

YEAR 11 LEGAL STUDIES - BEENLEIGH MOOT COMPETITION

Zac, Breanna, Kristin and Claudia

On Thursday, 25 July 2013, our students participated in the Beenleigh Moot which took place at the Magistrate’s court against 12 other schools, Nerang represented the Prosecution in the criminal trial. Congratulations to Brenna who cross-examined the accused, Zac who presented the submission on behalf of the Prosecution and Kristin and Claudia who were assisting lawyers.

Our students did extremely well and were congratulated by the Judge on their outstanding performance.

I said to them AFTER THE COMPETITION, YOU GUYS HAVE DONE SO WELL .. and I can say that with confidence because I know what is required to win a moot competition.

We did not win the competition – Somerset College did, but we are up there performing at a high level. THAT IS GREAT!

Let us congratulate our students on their professional performance.

As their teacher, I would also like to take the opportunity to acknowledge their commitment and dedication in preparing for such an event.

P & C NEWS

Community News

Medibank Community Grants have now opened for submissions. If there is a parent or community member who works for Medibank or its subsidiaries, please contact me. You don’t need to do anything other than support our application. We have a project in mind and would appreciate the support and funding help. We would also like to make contact with a Telstra employee please.

Leanne Barnes and I recently attended the Division 5 Street Meet at William Duncan State School where we were promoting Nerang State High School. We had our new junior uniform on show. All comments were very favourable and positive. We answered questions about the school from the public and were very pleased with the positive comments we received.

Our members also continue to attend P&C area meetings and tuckshop workshops to keep up to date.

Over the last year or so the P&C have been working on having a kitchen area in the hall. I am pleased to say the last of the work will be done over the school holidays. A very good 2nd hand kitchen will be fitted, a stove donated from Home Ec, the instant hot water unit and water connection will finally complete the work and the kitchen will be available for school events and community use when the hall is hired. Thank you to all who have helped in this project. Funding was provided by Dept. Communities, Councillor Tracey Gilmore and the P&C. Thanks also to Jason, one of our cleaners, for his hard work in fitting the kitchen cupboards and co-ordination of the services.

The new scaffold, purchased with P&C contributions, was put to good use over the staging of the school musical. It saved the school money in hire fees and means we can change our own bulbs, paint, retrieve sports balls and do general maintenance without hiring equipment. Thank you to all the parents who contributed.

The P&C will be holding an Art and Craft Market on 30th November in the school hall. Please contact me if you would like to book a stall, or feel free to pass on my details to anyone who may be interested. This is the only fundraising event held by the P&C this year. Please come and support the P&C by doing some Christmas shopping. Last November we had over 50 stalls selling all types of merchandise, predominantly handmade by local community members. It was a very successful day and we look forward to the same this year. Please put this date in your calendar.

Looking forward to 2014 we have set aside March 21st as the date for a Trivia night. The P&C have not done this in some years but look forward to making this a fun, entertaining evening for all. Again, note the date on your calendar!

Happy and safe holidays,

Tracey, Leanne and Kathy.
Year 12 NEWS

Congratulations to all Year 12 students on successfully sitting QCS Testing and Term 3 exams. We wish them luck in the results.

We are now moving onto the next chapter for the Year 12’s-preparing for end of year celebrations.

The Year 12 Formal is an opportunity for Nerang State High School Year 12 students to come together and formally acknowledge and celebrate the completion of 12 years of schooling. We look forward to celebrating with the students on the night at the Arundel Hills Country Club, 1 Arundel Place, Arundel.

Boys reward

This term 20 of our Yr8/Yr9 boys were given access to 3 incredibly successful and inspiring men. Men who opened up to the boys about the adversity and low times that they have faced in their personal lives/careers and how with a little discipline and hard work, they were able to reach some dizzying heights.

Stories that included:
- Going from being a school drop-out to a UN Security Advisor for Afghanistan and disposing of landmines in Cambodia.
- Going from having the last rites read to you in hospital to being named the world’s best 2nd rower in Rugby Union.
- Not being able to leave your house due to fan abuse to starring in a winning NRL Grand Final team.

This was wrapped up last Friday with an interschool Dragon boat challenge day against Robina SHS and Coombabah SHS which was held at Emerald Lakes. The focus of this day was to enforce how important team work is and challenging yourself to achieve an outcome. The boys did extremely well, winning a few races, however the eventually winner was Robina SHS. Well done to all the boys that added both days and I am sure that each one has gained something from the experiences.

**SPEAKING OUT PUBLIC SPEAKING COMPETITION**

On Wednesday 16th October, Nerang State High School will host the tenth annual Nerang Alliance of State Schools Speaking out Public Speaking Competition commencing at 4.30pm in M Block. This event showcases the oratory talents of students from years 4 – 10 from Nerang Alliance schools: William Duncan State School, Worongary State School, Nerang State School, Gilston State School, Canungra State School, Beechmont State School and, of course, Nerang High School.

This enjoyable evening will once again be sponsored by Nerang First National Real Estate, who generously provides beautiful trophies and book vouchers for each of the Year Level Winners and the Speaker of the Night.

**Science News: Engineering Challenge**

One career path that is becoming highly sought after is Engineering. The Gold Coast alone requires engineers in the fields of civil, mechanical and chemical engineering. This is a challenging and rewarding career path for students who enjoy and are good at science and mathematics. Four such students are Liam Champney, Bryce Davies, Pedro Da Paz and Joel Regi.

Earlier this term, these boys elected to take part in an Engineering Challenge, run by Griffith University. The challenge was to build a bridge out of balsa wood that is able to hold the most mass and still be light. Our boys competed against 20
teams from 7 schools. The majority of these teams had many more students participating and used computer programs to assist in their bridge design. A massive congratulations to Liam, Bryce, Pedro and Joel; not only did their bridge hold the most mass, they have also been invited to participate in another challenge early in term 4.

Well done guys!!

**Year 12 Griffith BUSINESS School Outreach Program 2013**

**CONGRATULATIONS CHANELLE HAY AND CHLOE ASHTON!**

On Friday 6 September, I attended the Griffith BUSINESS School Outreach Program Graduation. I would like to congratulate Year 12 students Chanelle Hay and Chloe Ashton on graduating! Both girls were successful at the start of the year to be accepted into the Business Management strand in the Year 12 Griffith Business program. The program involved the girls attending three workshops (Lectures and Tutorials) during the year and completing assessment. Chanelle and Chloe received a Credit overall, therefore they were able to graduate from the program.

The aim of the program was to help students make the transition from the supported framework of school, to the flexible and autonomous nature of tertiary studies. The goal of the program was to encourage business students to further studies at Griffith University, foster positive relationships between students, teachers and academic staff; and expose high school students to the tertiary environment.

As a result of successfully graduating from this program, the girls have been offered Direct Entry into a Business Degree at Griffith University. This is an amazing opportunity and one that Chanelle and Chloe should be very proud of. I wish the girls the best of luck in the future with their tertiary studies!

**HOD Senior Schooling**

**HOMESTAY FAMILIES REQUIRED**

Nerang State High School will have the pleasure to welcome Study Tour groups again throughout 2014. If you would like information on becoming a Host Family and you can provide 3 meals a day, transport to/from school, a spare bedroom and a friendly environment - Please call Naomi or Judy on (07)55920575 for more information.

**Senior School Focus**

**YEAR 12**

As our Year 12’s enter their final six weeks of school, we would like to remind them that they need to remain focussed on their studies and completion of ALL ASSESSMENT. The results of these last assessment pieces can impact greatly on their final results.

As parents and caregivers, you can help students maintain focus by providing support and gentle reminders to keep on working. Their exam block begins in Week 5 (Monday 4 November – Friday 8 November).

Other important dates are the Formal at Arundel Hills Country Club on **Tuesday 12 November** and their Graduation at Nerang State High School Hall on **Friday 15 November**.

We would also like to remind Year 12 students that they must attend school up to and including November 15 to receive their results. This is a requirement from Education Queensland.

**YEAR 11**

School for Year 11 students’ ends on **Friday 29 November** and they are expected to attend up to and including that date.

Students need ensure that they continue working to the best of their abilities in order to maintain results and not put their QCE points at risk.

**YEAR 10**

School for Year 10 students’ ends on **Friday 29 November** and they are expected to attend up to and including that date.

Students have assessment due in that final week and failing to submit assessment could have a negative impact on their results.

Go card makes travelling to school easy
Did you know that if your son or daughter uses a Translink go card to travel to school they save at least 30 per cent on the cost of a single concession paper ticket, which is half of an adult’s fare? What’s more families can register the card so the balance can be protected if the card is lost or stolen. Registering the card also allows families to top-up online or over the phone. They can also set up auto top-up so students will always have funds on their card.

GOLD COAST HOSPITAL AND HEALTH SERVICES – ORAL HEALTH SERVICES

ORAL HEALTH CARE MATTERS

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Teen Dental Vouchers?

Good oral health care is important for young people. The government has provided Teen Dental Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.

Experience Life As A French Teenager with WEP

From Jonathon in France:

My summer holidays have started really well and I seem to be getting a lot into them. I think that today must be one of the first days I have had to just be around the house. The school year rounded out nicely with some great memories including the school ball which was a great event with all my friends and I from school dressed up and having a great time to enjoy freedom one last time before they had to study for the Baccalaureate. The teachers were very pleased with how I was progressing and although my marks are not officially counted in the system I think that the school side of the program is going well.

I’ve had the chance to do some really interesting things and see some wonderful places with my host family and friends and just yesterday I saw for the first time Le Mont Saint Michel which is exactly as incredible as it is acclaimed to be. I’ve been able to be a bit more autonomous as the time has passed and especially now that it is light until nearly 11 and the weather is warm enough to allow me to ride or walk to friends houses nearby or to the local towns.

So basically the point is that my exchange is still going very well and it’s incredible how fast the first six months have already passed, it doesn’t at all feel like such a long time.
