The Comets Program provides opportunities for academically motivated and talented students to maximise their intellectual potential in an environment that promotes a strong culture of academic excellence. Comet students have a STEM subject, as part of their academic excellence program. Industrial Technology & Design, Home Economics and Digital Technologies are embedded in to the STEM subject.

❖ Please note:

- Students can only be accepted into a maximum of 2 Signature Programs.
- Students will be unable to do both Quality Arts Programs.
- Due to the extended resources and opportunities provided to Signature Program students, a \$50 fee will be added to your Student Resource Scheme for each Signature Program.
- Two year 7 scholarships will be awarded for this program and will cover the costs of the Student Resource Scheme and Signature Program fee.
