Item	Sizes (please circle size required)												Total	Item	
Trade Fleece Jumper	S	M	L	XL	2XL	3XL	4XL	5XL						\$50.00	
<b>ORDER TOTAL</b>														<b>\$</b>	

- Only Trade students are allowed to purchase and wear the trade uniforms: High Vis shirt, Engineering Drill shirt, High Vis jumper. These shirts must be purchased from the uniform shop as they have the Nerang SHS trade logo embroidered. Students are not permitted to purchase the above uniform items from unauthorised suppliers.
- Students are required to wear steel-capped boots. We recommend buying a pair with side zips as some companies require these to access the worksite.
- Students must wear their trade uniform all day, every day no matter what subject they are in at the time. This means students will have their trade uniform on, including steel-capped boots, while sitting in Maths and English classes.
- Students must wear navy blue drill shorts or pants, with no insignia (not available in the uniform shop).
- If students are enrolled in the Cert II Engineering Pathways elective subject, they must wear their engineering drill shirt during the lesson. This requirement is due to the nature of work undertaken and the material the high vis shirts are made of, which melt during some engineering activities. Students will be allowed to change into the engineering shirt at the beginning of the lesson.
- During the colder months, students have the option of purchasing a high vis jumper from the uniform shop. If they already own a school jacket or jumper, they may wear this without receiving a uniform detention.

### Places to purchase drill pants/shorts and steel capped boots

- Bunnings, Totally Work Wear, RSEA Safety, Big W, Target, Kmart, Lowes, other online stores
