

2026 Stationery List

Year 10-12

We are a BYO Laptop school...

This means that students are able to bring their personally owned laptop to school for the purpose of learning.

The benefits of students bringing their own laptop include:

- *the ability to access the internet and secure cloud storage (via our secure portal)*
- *having access to digital textbooks and other resources*
- *using Microsoft's OneNote Class Notebook as the major platform for learning*

In addition, students will consume less stationery throughout the year and take advantage of the Microsoft Office 365 suite of programs for no extra cost.

*More information can be found by visiting our school website and by clicking on the quick link **Bring Your Own Device** or follow the link..[Bring Your Own Device](#).*

Subject		Students with a BYO Laptop	Students without a BYO Laptop

Flexischools online ordering is available for uniform purchases: www.flexischools.com.au.

If you have any questions in relation to ordering uniforms, please call the Uniform Shop on **5503 7858**.

UNIFORM INFORMATION

(full details are available in the Parent Handbook)

The wearing of the uniform is compulsory and will be enforced in accordance with State Government Legislation.

The Parents and Citizens Association endorses the uniform and ensures availability through the Uniform Shop at reasonable cost to parents.

Should students be unable to wear an item of uniform due to an unusual circumstance, parents are asked to send a note with an explanation with the student on that day.

CANTEEN

Our canteen is a cafeteria style, where students choose an item and take it to the register. We accept cash or EFTPOS.

Flexischools online ordering is available for canteen purchases: www.flexischools.com.au. Students and parents are able to place an order with the canteen before school for collection at either first or second break. We encourage online ordering so the students don't miss out if they have a club, rehearsal or meeting to attend in the breaks, or if they want something specific to eat.

Our staff have been fully trained in safe food handling and hygiene practices. Our menu follows the Smart Choices guidelines as set out by Education Queensland and is posted on the school website.

Please call the canteen on 5503 7857 should you have any queries, our staff are happy to help.
