

## Mobile Phone Exemption Form

At Nerang State High School, we have implemented an 'Away for the Day' policy that restricts student access to mobile phones (and connected personal devices) throughout the school day.

Individual students may have extenuating reasons for needing restricted access to their personal device during school hours.

- An exemption for restricted use will be given where it is supported by a:
  - current Department of Education Health Plan; or
  - treating doctors' medical certificate/treatment plan.

*A typical example is one where a mobile phone is used to manage and monitor a health condition like diabetes.*

- Restricted use will mean that a student will only have access to their phone for a specific purpose at specified times.
- Applications will be assessed and parents/caregivers will be advised of the outcome within 5 working days of submission.

Please complete the following form if you wish to apply for a mobile phone exemption for your child.
